I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on 10th day of February, 1976, that it truly and correctly represents the original point of diversion under Permit No. 13578 & 13579 and the proposed point of diversion and extent of the works used to divert water from an underground source in Lyon County, by Hodges Transportation, Inc., for irrigation and domestic purposes. That the original and proposed point of diversion, the approximate location and size of diverting channel, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

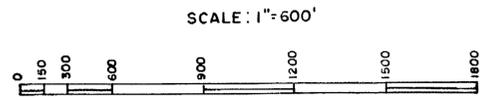

Walter G. Reid
 State Water Right Surveyor

Subscribed and sworn to before me this 19th day of Feb., 1976.
