State of Nevada  
County of Elko

I, Mark Chilton, being first duly sworn, depose and say this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 8th day of June, 1976; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in Lander County by Leroy and Barbara Horn for IRRIGATION and DOMESTIC PURPOSES. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with proposed works, and the boundary of lands, showing by 40-acre subdivisions the areas proposed to be irrigated are fully and correctly designated thereon.

Subscribed and sworn to before me this 16th day of June, 1976.  
Notary Public in and for Elko County, Nevada.
