I, J. R. Caldwell, being first duly sworn, depose and say that this map, consisting of 1 sheets has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) on the 22nd day of March, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from Unnamed Springs in Humboldt County, by LEDGE MINING for Mining Milling & Domestic

That the proposed point of diversion, the location and size of the diverting channel, all reservoirs and basins, location and description of all measuring devices, and the boundary of all lands showing in 40 acre subdivisions the place of use.

and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designed.

Subscribed and sworn to before me this 22nd day of March, 1976
