I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 1 to 0 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 13 day of March and the 14 day of March, 1976, that it, truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in ESMERALDA COUNTY by ESMERALDA EXTRACTION CO for Milling purposes. That the proposed point of diversion and return, the location of the mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
