FND. SEC. COR.
PIPE AND ROCK MON.

I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated from field notes of a survey made by me on the 8th. day of April, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Carson City, by Desert Enterprises for industrial and domestic purposes. That the proposed point of diversion, the location of the Storage Buildings, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor
