 COUNTY OF WASHOE

I, Ernest E. Muller, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th. day of May, 1976; that it truly and correctly represents the proposed location and extent of the works used to divert water from an unnamed stream and unnamed spring areas in Washoe County by Paul C. and Mary H. Hofmann for irrigation and domestic purposes. That the proposed points of diversion, the location of the diverting conduit, all reservoirs and basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land within a 40-acre subdivision proposed for use, are fully and correctly designated thereon.
