 COUNTY OF DOUGLAS

I, B.J. VASEY, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28th day of April, 1976; that it truly and correctly represents the proposed location and extent of the works used to divert water from UNDERGROUND and SURFACE sources in DOUGLAS COUNTY, by R. That the proposed points of diversion, the locations and sizes of the diverting channels or other conduits, the place and manner of use, all reservoirs or basins, the location and names of all other which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions, the areas proposed to be irrigated, are fully and correctly designated thereon.
