I, Robert N Caldwell, being first duly sworn, depose and say that this map, has been correctly drawn from field notes of a survey made by me on the 19th day of June 1976 that it truly represents the proposed location and extent of the works used to divert water from underground in Pershing County, by Donnell J. & Andree Richards

for Irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 22 day of June 1976
