I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 1 to 10 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 30 day of June and the 31 day of June, 1976, that it, truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in NYE COUNTY by Mervyn E. Wengenheim Jr., for Mining, Milling & Domestic purposes. That the proposed point of diversion and return, the location of the mill, the approximate size and capacity of the diverting channel, the location and names of all other works or streams which are crossed by, or connected with said works are fully and correctly designated thereon.
