 COUNTY OF LOS ANGELES }

I, Tracy J. Phelps, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 26th day of May, 1976; that it truly and correctly represents the location and extent of the works used to divert water from Manley Springs, in Nye County, by Everett L. and Patricia J. Manley for irrigation and domestic purposes. That the point of diversion and existing reservoir, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
