M. D. B. & M.

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th. day of June, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Churchill County by JOHN and BETTY KIEBER for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location of the diverting conduit, all reservoirs and basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.
