

I, Phillip B. McVey, being first duly sworn, depose and say that this map, consisting of one sheet, has been drawn to the designated scale from field notes of a survey made by me between June 11 and June 16, 1976 to accompany application for permit to appropriate water for domestic purposes; that it truly and correctly represents the location of the works and the proposed location of the place of use by the ESTATE OF JOHN STALEY HOLDEN for domestic purposes; that the point of diversion and the boundaries of all lands are showing by 40 acres (or less) within the areas where the water is to be beneficially used are fully and correctly designated.
