I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 9th day of June, and the 12th day of June, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from Dry Canyon Spring, in White Pine County, by Steptoe Ranch Co., Inc., for Stockwatering purposes.
