I, J.V. Caselli, being first duly sworn depose and say that this map consisting of 1 sheet, numbered from 1 to 10 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 19 day of July and the 20 day of July, 1976, that it, truly and correctly represents the proposed location and extent of the works to divert water from Underground Source, in NYE COUNTY by STEWART RANCHES, for irrigation purposes. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for is used, together with the area and kind of culture in each 40 acre subdivisions, and the location and names of all other works or streams which are crossed or connected with said works are correctly designated thereon.
