COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of August, 1976, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County by HALLIE PFEIFER for MINING, MILLING and DOMESTIC purposes. That the proposed point of diversion, the names of all other works, and the boundary of the land proposed for use are fully and correctly designated thereon.
