I, Donald C. Osborne, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on August 18th and 20th, of 1976; that it truly and correctly represents the proposed location and extent of works used to divert decreed water from East Drain in Lyon County by the Nevada Department of Fish and Game for irrigation purposes; That the proposed additional point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location of the main canals or ditches which will connect with the proposed works and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
