

STATE OF NEVADA }
 COUNTY OF WASHOE } SS

I, Donald C. Osborne, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of surveys made by me between June 1960 and January 1977, that it truly and correctly represents the proposed location and extent of works used to divert water from unnamed collection channels in Lyon County by the Nevada Department of Fish and Game for fish, wildlife and recreation purposes. That the proposed points of diversion, the approximate location and size of the diverting channels, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions, the areas where the applied for water will be utilized are fully and correctly designated hereon
