I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 3rd day of March, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources, in Nye County, by Northwest Exploration Co for Industrial and Domestic purposes. That the proposed point of diversion, the location of the place of use, the approximate size and capacity of the diverting channel or conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon

Richard W. Forman
State Water Right Surveyor

Subscribed and sworn to before me this 23rd day of March, 1977.
