

STATE OF NEVADA SS.
 COUNTY OF ESMERALDA SS.

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20th day of March, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from Un-named springs in Esmeralda County by D. F. MILES, dba TRI-STATE MINERALS EXPLORATION for MINING, MILLING and DOMESTIC purposes. That the proposed points of diversion, the approximate location and size of the diverting channel, all reservoirs and basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision the area proposed for use, are fully and correctly designated thereon.
