

Basis of Bearings - True North - From G.L.O. Plat dated Apr. 23, 1941 - (N 89°50'W., S. Bdry Sec. 3)

State of Nevada s.s.
 County of Washoe
 I, John E. Curran, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Feb. 14, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Underground source in Washoe County by The Church of Jesus Christ of Latter Day Saints for Recreational purposes. That the proposed Point of Diversion, the names of all other works which will cross or connect with the proposed works and the boundaries of all lands shown by 40 Acre subdivisions, the area proposed to be irrigated or served, are fully and correctly designated hereon.
 Subscribed and sworn to before me this 27th day of March 1977.
