

STATE OF NEVADA
 COUNTY OF HUMBOLDT SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 18th day of July, 1977, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County by ROGER HOCKERSMITH for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location of the diverting conduit, all reservoirs and basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.

Ernest E. Muller, Sr.
 State Water Right Surveyor No 273

Subscribed and sworn to before me this 26th day of July, 1977.
