STATE OF NEVADA SS
COUNTY OF DOUGLAS

I, Ernest E. Muller Sr., being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision on the 26th day of April, 1977, that it truly and correctly represents the proposed location and extent of the works used to divert water from an unnamed underground source in Douglas County by Norman C. Robison for irrigation and domestic purposes. That the proposed points of diversion, all reservoirs and basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of the land within a 40-acre subdivision proposed for use, are fully and correctly designated thereon.

Ernest E. Muller Sr.
State Water Right Surveyor No 273

Subscribed and sworn to before me this 13th day of June, 1977.
