STATE OF NEVADA  
CARSON CITY SS.

I, BRUCE R. SCOTT, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th day of April, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in Washoe County, by ALBERT and KATHLEEN M. MORAN for irrigation and domestic purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
