
I, [illegible], hereby state that said survey, shown hereon, was completed on [illegible] and shows the correct boundaries of said above-described lands, and the proposed wells from field notes of a survey completed on April 24, 1977; that it truly and correctly represents the proposed location and center of the wells, and their distance from an undergound source, as proposed to be used by WILLOMONTE LAND & LIVESTOCK for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location of the diversion pipeline, all reservoirs and basins, and locations and names of all other works which shall be connected with the proposed works, and the boundary of the land, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.

State Water Right Surveyor No. 273

Subscribed and sworn to before me this 26th day of May, 1977.

Notary Public in and for Carson City, Nevada
