I, J.V. Caselli being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 5th day of May and the 7th day of May 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from Under-ground in Esmeralda Co. by Wayne P.
