I, Robert J. McNuff, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my direct supervision on the 20th day of April, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County, Nevada, by Edward Lavietes for quasi-municipal purposes. That the proposed point of diversion, the place and manner of use, and any other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.
