APPLICATION TO APPROPRIATE WATER FOR IRRIGATION AND DOMESTIC PURPOSES.

State of Nevada }
County of Churchill }

I, Lowell D. Emry, being first duly sworn, depose and say that I am the applicant named in the foregoing application; that I have read the same and know the contents thereof; that the statements made therein are true to the best of my knowledge and belief; that I am informed and believe that the proposed means of diversion, the proposed works and the proposed use will not tend to impair the value of existing rights or be detrimental to the public welfare; that the proposed use conforms to such reasonable rules, regulations and limitations as the State Engineer may prescribe for the protection of vested rights and to meet the requirements of applicable state laws; that the proposed use will not threaten to prove detrimental to the public interest; that I do not intend to hold the water sought to be appropriated for speculation or resale; that I intend in good faith to construct the works necessary to apply the water to the beneficial use mentioned in this application and to complete the application of water to such beneficial use with reasonable diligence; and that all of the statements made and information furnished in this application are true to the best of my knowledge and belief.
