I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 25th day of June, 1977, that it truly and correctly represents the original point of diversion under Permit No. 26910 and the proposed point of diversion and extent of the works used to divert water from an underground source in Lyon County, by M. S. Peek, for irrigation and domestic purposes. That the original and proposed point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or, connected with the said works, are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor

Subscribed and sworn to before me this 29th day of June, 1977.
