I, B. J. VASEY, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 20th day of January, 1978, that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE, in WASHOE COUNTY, by JAMES Y. GREER, for IRRIGATION and DOMESTIC purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
