

STATE OF NEVADA }
 COUNTY OF WHITE PINE } SS.

I, Gene D. Clayton, being first duly sworn, depose and say that this map consisting of 1 Sheet, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, between the 10th day of July, and the 10th day of July, 1978; that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Sources in Nye County, by Robert G. Simmons for Irrigation & Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs and basins, the location and names of all other works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.

Gene D. Clayton
 State Water Right Surveyor No. 466

Subscribed and sworn to before me this 25th day of October, 1978
 Notary Public in and for White Pine County, Nevada.
