I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12 th. day of October, 1977; that it truly and correctly represents the location and extent of the proposed works used to divert water from an underground source, in Lyon County, by Raymond and Janice Tamagni, for domestic and stock-watering purposes. That the proposed point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

Walter G. Reid
State Water Right Surveyor

Subscribed and sworn to before me this 14th day of October, 1977.
