I, Lawrence A. Bogdan, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 1st day of June 1977; that it truly and correctly represents the proposed location and extent of the works to divert water from an underground source, in Washoe Co., by Washoe County Parks and Recreation Department for parks and domestic purposes. That the proposed points of diversion, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
