

STATE OF NEVADA  
 COUNTY OF Carson City SS:

I, FRED L. PETERSEN, being first duly sworn, depose and say that this map, consisting of one (1) sheet has been correctly drawn to the designated scale from field notes of a survey made by me on September 2, 1978; that it truly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, by Louise L. Dillard for irrigation and domestic purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of land irrigated, are correctly shown and designated hereon.
