I, John H. Milton III, being first duly sworn, depose and say that this map, consisting of 200 sheets numbered from 1 to \_\_\_\_\_, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction) between the 23rd day of AUGUST, and the 23rd day of AUGUST 1984; that it truly and correctly represents the location and extent of the works used to divert water from underground, in Humboldt County, by Elmer L. & Elva A. Davis for irrigation purposes under Application No. 34811. That the point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 34811 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Subscribed and sworn to before me this 29th day of August, 1984.

I, Robert N. Caldwell, being first duly sworn, depose and say that this map consisting of one sheets, has been correctly drawn from field notes of a survey made by me during March, 1977, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Humboldt County by Donnell J. & Andree L. Richards for irrigation and domestic purposes, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 28th day of December 1977
