

State of Nevada SS  
County of Washoe

I, Peter G. Guisti, being first duly sworn depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Dec. 29, 1977; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in Washoe County by Vernon Waligora for commercial (KOA Kampground) and domestic use purposes. That the proposed point of diversion and location and name of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
