

STATE OF NEVADA
CARSON CITY

I, Kim Koenig, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey, under my supervision and direction, between the 21st day of DECEMBER, and the 23rd day of DECEMBER, 1977; that it truly and correctly represents the proposed location of the well used to divert water from an underground source in White Pine County, by the State of Nevada, acting by and through its Department of Highways, for industrial road construction. That the proposed point of diversion, the location and size of the proposed drilled well, and the boundary of all lands, showing by 40 acre subdivisions, the areas proposed to be irrigated, are fully and correctly designated thereon.

Kim Koenig
State Water Right Surveyor—No. 402

Subscribed and sworn to before me this 9th day of January, 1978.

Shirley D. Crookshanks
