 COUNTY OF WASHOE ] SS

I, John Carstarphen, being first duly sworn, depose and say that this map, consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 24<sup>th</sup> day of February 1978, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Washoe County, by Harry Bennetts for irrigation and domestic. That the proposed point of diversion, the location and size of the diverting channel, all reservoirs and basins, location and description of all measuring devices, and the boundary of all lands showing by 40-acre subdivisions the areas to be irrigated and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
