

Basis of Bearing = First Standard Parallel North

STATE OF NEVADA
COUNTY OF LYON SS.

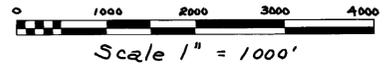

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my direction, between the 11th day of July, 1978 and the 20th day of July, 1978 that it truly and accurately represents the proposed location and extent of the works used to divert water from Pony, Crow Creek, Spotlite and Dodge Well in Lincoln County, by Imperial Farms Land & Cattle Co., Inc., Frank Delmue, and Kenneth and Gordon Lytle for stockwatering and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Robert W. Millard
Robert W. Millard, R.P.E.
State Water Right Surveyor

Subscribed and sworn to before me this 6 day of September, 1978
