I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my direction, between the 11th day of July, 1978 and the 20th day of July, 1978 that it truly and correctly represents the proposed location and extent of the works used to divert water from New 21 Mile, Old 21 Mile, Jack Rabbit and 15 Mile Well in Lincoln County, by Imperial Farms Land & Cattle Co., Inc., Frank Delmue, Kenneth and Gordon Lytle for stockwatering and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
