I, Eldon J. Mayhew, being duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the fifteenth day of April, and the eighteenth day of May, 1978, that it truly and correctly represents the proposed location and extent of the works used to divert water from Well no. 27812, in Nye County, by Industrial Mineral Ventures, Inc. for domestic, irrigation, and milling purposes. That the proposed point of diversion, the location of the well, the approximate size and capacity of the diverting channel or conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon,

E. J. Mayhew
State Water Right Surveyor # 444
