

STATE OF NEVADA SS  
 COUNTY OF LYON

I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my direction, between the 29th day of September, 1978 and the 10th day of October, 1978 that it truly and correctly represents the proposed location and extent of the works used to divert water from Bristol Reservoir, Middle Fairview Spring #1, A.P.W. Well, and Coyote Well in Lincoln County by Imperial Farms Land and Cattle Company Inc., for stockwatering and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
