I, Bruce R. Scott, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale, from field notes of a survey made by me on the 7th day of October, 1978; that it truly and correctly represents the proposed location and extent of the works used to divert water from Kings Canyon Creek in Carson City by Richard D. & Nancy B. Grundy for irrigation purposes under Application No. 28351. That the point of diversion, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 28351 is used, together with the area and kind of culture in each 40-acre subdivision, are fully and correctly designated hereon.
