I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the _____ day of November, 1978; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, by Harvey's James Canyon Ranch for irrigation and domestic purposes under Application No. 27798. The point of diversion, the location and size of the diverting channel, location and description of all measuring devices, the location and extent of all lands owned or controlled by the applicant upon which water applied for under Application No. 27798 is used, together with the area and kind of culture in each 40-acre subdivisions, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated hereon.

B. J. Vasey
 State Water Right Surveyor No. 306

Subscribed and sworn to before me this 7th day of December, 1978.
