

STATE OF NEVADA } ss.
CARSON CITY

I, B. J. Vasey, being first duty sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 25th day of September, 1978, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County, by the Town of Minden for municipal purposes. The proposed point of diversion and the boundary of all lands, showing by 40-acre subdivisions the areas to be served are truly and correctly designated hereon.

B. J. Vasey
State Water Right Surveyor No. 346

Subscribed and sworn to before me this 7th day of December, 1978.

Geraldine B. Tyson
Notary Public in and for Carson City
