 ◆ Indicates iron pipe with BLM brass cap 1/4 corner

State of Nevada } S.S.  
 County of Humboldt }  
 I, Robert N. Caldwell, being first duly sworn, depose and say that this map, consisting of 1 sheets, has been correctly drawn from field notes of a survey made by me on the 7th of January, 1979, that it truly and correctly represents the location and extent of the works used to divert water from underground in Humboldt County by Douglas E. Glenn & Donald T. & Julie Woods for Quasi-Municipal purposes, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Robert N. Caldwell  
 State Water Right Surveyor No. 468

Subscribed and sworn to before me this 9th day of January 19 79.
