I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 19th day of March, 1979; that it truly and correctly represents the proposed location and extent of works used to divert water from underground source in Lyon County, by Oley E. Lawson for domestic and commercial purposes. That the proposed point of diversion, approximate location and size of the diverting conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area and place of use, are fully and correctly designated thereon.

Walter G. Reid
