

STATE OF NEVADA } SS  
 COUNTY OF ELKO }

I, Norman M. Rockwell, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 1st day of July, 1979; that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND SOURCE in ELKO COUNTY, by JACK L. BOYD for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the location and names of all other works or streams which are crossed by, or connected with the proposed works, and the boundry of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
