

STATE OF NEVADA SS.  
 County of Carson City  
 I, William A. Reinken, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 14th day of August, 1979; that it truly and correctly represents the proposed location and works used to divert water from and underground source in White Pine County, by Vance L. Pierce for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting conduits and all other works which are affected by or connected to the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
