

STATE OF NEVADA SS.  
County of Carson City

I, William A. Reinke, being first duly sworn, depose and say this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 14th day of August, 1979; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in White Pine County, by Vaughn R. Pierce for irrigation purposes. The proposed point of diversion, the approximate and size of the diverting conduits and all other works which affected by or connected to the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.

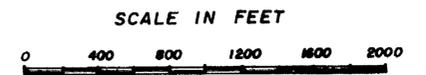

*William A. Reinke*

Subscribed and sworn to before me this 11th day of September, 1979.
