I, Tracy I. Phelps, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on the 26th day of March, 1979; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Clark County, by Lou Jeanne Lewis for irrigation purposes. That the proposed point of diversion, and the boundaries of all lands, shown by 40-acre subdivisions, are fully and correctly designated thereon.
